

Continuing professional development (CPD) with the MS Trust

Foundation in MS Module

- Accredited with BCU at Level six and seven
- Week long Dev Mod foundation course
- Runs March and October
- Suitable for MS Specialists in post three to six months
- We are planning an additional course for late 2022 so put your name down now at conference

Annual Conference

"Thank you for a great course! Great presentation style with lots of opportunities to ask questions and talk about real life examples which all made for a really enjoyable and informative course"

"Thank you MS Trust for an excellent conference. It is so valuable to have this protected learning time. Having time to network is amazing and can evoke inspiration and help develop services locally and nationally for people living with MS."

Palliative care day
"Thanks for an excellent day. It is so convenient to be able to attend things online, and the programme was excellent"

MS Trust Study Days

The MS Trust remains the leading provider of MS Specialist education.

Specialist Advanced MS Module

- We are designing a module for those with a few years experience and needing the next level up so tell us what you need
- Accreditation towards an award such as a post grad certificate, degree or masters

Funding your learning

We work hard through the year to fundraise so that we can:

- Offer funded places on most of our courses
- Continue to provide high quality, specialist education and CPD for all Health Professionals who want it

We have a number of different bursaries available which you can apply to for help with funding not just the CPD opportunities outlined here, but also other types of study and research. For more information about funding your CPD visit the website: mstrust.org.uk/health-professionals/courses-and-training/funding-your-learning or email the Health Professionals Team on hpteam@mstrust.org.uk
